ABOUT THE BCRFA

Funding research, saving lives.

The Breast Cancer Research Foundation of Alabama's mission is to help find a cure for breast cancer by funding promising breast cancer research in Alabama and raising community awareness and funding for that research.

The BCRFA invests a comprehensive approach to battling breast cancer by funding collaborative and innovative research to help diagnose, treat, prevent, and eradicate the disease.

BCRFA Impact

Investments from generous partners like you allow BCRFA research partners to:

- Successfully compete for and receive sought-after and sustaining grant dollars.
- Recruit and retain world-class breast cancer researchers.
- Seize every opportunity for groundbreaking discoveries.

Since our founding in 1996, the BCRFA has invested nearly \$14 million in life-saving breast cancer research.
